

## **About the business and the role**

Ngamuru Advisory provides strategic and commercial advice primarily to Government clients by people who are passionate about delivering government projects better for the benefit of the taxpayer.

We aim to inspire and enable our clients to deliver great projects and initiatives for the good of the nation. We provide practical, common-sense and effective advice and assistance to our clients.

Ngamuru Advisory is based in Canberra with staff in Melbourne, but operates throughout Australia. We are a joint venture that includes Clayton Utz one of Australia's leading law firms.

Ngamuru Advisory offers you the opportunity to:

- work on a variety of high profile projects, engagements and programs
- apply your specialist advisory/project management skills to help clients achieve their goals
- build meaningful and productive relationships with government clients and stakeholders
- contribute to, and benefit from, an innovative and dynamic work culture
- achieve a healthy work-life balance; and
- work with industry recognised professionals.

Ngamuru Advisory is looking for candidates with public sector consulting or Commonwealth Government experience in one or more of the following areas:

- Procurement and contracting
- Infrastructure
- Data and financial analytics
- Health
- Probity
- Other high-profile Government policy areas

## **Job tasks and responsibilities**

We would be keen to hear from you if you:

- are hard-working and a good communicator
- can work both autonomously and effectively in a team environment

- are flexible and enjoy a dynamic approach to your job
- are a team player and enjoy forming positive and productive relationships with work colleagues; and
- are focussed on client service

### **Skills and experience**

We are looking for motivated professionals with a sound understanding of the public sector, through public sector employment and/or consulting to the public sector. We are looking for expertise across a range of skill sets and sectors.

A current security clearance would be advantageous but is not essential.

Full time, part-time and casual positions can be considered for the right candidate.
